<b>Time</b>  5 mins	<b>Starter / Introduction</b>  Talk to the pupils about Class rules. Set up safe classroom practice. Make sure you have read and understood the guidance for teachers that comes with this lesson plan. Please ensure that pupils are clear of confidentiality.  Ask children to jot down on yellow post it notes what they think FGM is.	<b>Resources</b>  Interactive whiteboard Film 1 Different coloured post it notes. i.e. yellow and blue Whiteboard or flipchart paper pens
---------------------------	---	---

30 mins	<p><b>Main</b> Watch the film. You must decide whether your pupils are mature enough to watch this together (boys and girls) or whether they would be better to watch and discuss separately.</p> <p>After watching the film start the session off by allowing the pupils to turn to their talk partners and just share their thoughts feelings about what they have watched. Give the students blue post-it notes to write down any questions that they have or comments that they would like to make but are worried they will forget.</p> <p>Bring the class back together. Ask – What does FGM mean? Let’s try to define it using a dictionary definition. Allow the pupils to define, understand and own their contribution.</p> <p>However, support the phrasing of the definitions so that they do not stray into inappropriate examples.</p>	<b>ICT if applicable</b>  Use of IWB Computer
---------	--	--

F = Female (girls or women)  
G = Genital (external sexual organ)  
M= Mutilation (an injury by cutting or tearing that damages severely or maims)

Ask the pupils for any questions or thoughts? Was this what they thought FGM was? Did it match their first yellow post-it note?

Now talk about the word, illegal. What do the pupils think this means? Ask them for examples of things that they think are illegal. Talk to the children about the age of criminal responsibility, aged 10 years old.

Now write the acronym, PANTS on the board. (NSPCC – Underwear rule:

P – Privates are private

A – Always remember your body belongs to you

N – No means no

T – Talk about secrets that upset you

1. Make sure children know what 'Privates' are.

3. Ensure that all of your discussions about talking to someone you trust includes information about Childline and NSPCC help line.
4. Make sure that your school displays telephone numbers in toilets and that that posters about FGM are visible for all to see.
